Dear Mr. Blatt:

I want to express my thanks for the outstanding job you did this month removing the wallpaper from my rather large, vaulted ceiling living room, dining room, hallway, and kitchen area! The professional manner in which you described the work to be done was appreciated, and the meticulous appearance of the house at the end of each day while the work was being done was truly amazing.

On budget, on time, and well done is an accurate description of the job you did. Not all home remodeling jobs can fit that description. Yours did!

I highly recommend anyone requiring wallpaper work, both removal and hanging new paper, to CALL BLATT WALLCOVERING!

Sincerely,

J. A. Harvey
